BIO

Dr. Barry Taylor is a trained Naturopathic Physician and healer who has practiced Naturopathic Medicine since 1978. With a unique comprehension and specialized skill in multi-dimensional healing, Dr. Taylor has always derived great satisfaction and fulfillment from blending different thoughts, ideas and disciplines to create a new understanding of optimal health.

He has been recognized as an expert in integrative medicine for the last 39 years and has lectured many of the world's leading wellness centers, clinics and hospitals, as well as major corporations. Through his private practice, workshops and seminars, Dr. Taylor has taught his LOVE YOUR BODY Program to over 15,000 people.

Dr. Taylor is the proud father of two sons, Luke and Jacob, as well as an animal advocate.
